

THE COUNCIL FOR THE REPUBLIC OF
SLOVENIA FOR HIGHER EDUCATION

Senate for Accreditation
1000 Ljubljana, Trg OF 13

P: 01 478 46 61

F: 01 478 47 98

Pursuant to the Article 51 of the Higher Education Act (Official Gazette of the RS, No. 119/06-official consolidated text 3) and under Criteria on accreditation of higher education institutions and study programs (Official Gazette of the RS, No. 101/04), on 5 May 2008 the Senate for Accreditation at the Council for Higher Education at its 7th meeting, adopted the following:

DECISION

Senate for Accreditation at the Council for Higher Education hereby delivers its consent to the introduction of a new second cycle program (M.Sc. / 2y), "International Business Management" at the Business School DOBA Maribor.

The professional title after finishing second cycle study program is Master of Business Sciences, abbreviation, MSc. bus. sciences (mag.posl.ved).

Explanatory note:

An application for the introduction of new second cycle study program (MSc./2l) consists of all the items under Article 35 of the Higher Education Act (Official Gazette of the RS, No. 119/06-official consolidate text 3) and the Criteria for accreditation of higher education institutions and study programs (Official Gazette of the RS, No. 101/04).

The study program is classified according to ISCED classification in the area (34) of Business and Administration Sciences. The program has two modules: Operations in an international and multicultural environment and Competitiveness through creativity and innovative business. The study program has no field of study. Senate notes, as stated in the operative part.

Legal Notice:

An appeal against this decision can be filed to the Council for Higher Education of the RS within 15 days of delivery of the Decision.

Decision No. 2-161/2008
